JEKKO NEWS

Empire Cranes is Jekko's new official subdealer in the US

Empire Cranes – a company with many years of experience in the lifting business – is **Jekko's new official subdealer** in the US for the following states: New York, New Jersey, Connecticut, Rhode Island, Massachusetts, Vermont, New Hampshire and Maine. The company supplies the entire Jekko product range in association with Fascan Int., Jekko's official dealer all over the USA.

Empire Cranes' owners Luke and Paul Lonergan have **greatly welcomed this Italian brand** in their machine fleet, which already includes a wide range of quality machinery for lifting purposes such as earth moving cranes, trucks, crane trucks and much more.

That's how Jekko USA has commented on the news: *"We're proud to greet Empire Cranes and their more than twenty-year experience within Jekko's dealer network in the United States. We hope for a long-lasting and profitable business relation."*

Paul Lonergan, president of Empire Cranes, has stated that *"Empire Cranes is proud to be a dealer of Jekko mini cranes along with Jekko USA."*

Jonathan Shufelt, sales representative of Empire Cranes, has added: *"For their reduced size and very good loading capacity, Jekko mini cranes are an excellent addition to what Empire Cranes can offer the American companies."*

This new collaboration will help Empire Cranes and Jekko USA further expand their Jekko minicrane distribution network on the American market.
