Jekko is pleased to announce the appointment of **HEWEA sp. z o.o.** as its new **official dealer for Poland, effective from November 1<sup>st</sup>, 2026.**

The partnership strengthens Jekko's presence in the Polish market and gives customers access to the full Jekko product range, supported by local sales expertise, technical assistance and after-sales service.

## A strong partner for the Polish market

Headquartered in Byków, near Wrocław, **HEWEA** is a Polish company with around 30 years of experience in the **commercial and special vehicle industry**. Over the years, the company has developed extensive expertise in **hydraulic lifting equipment**, vehicle-mounted solutions and hydraulic systems, being the Polish distributor of **FASSI** brand.

One of HEWEA's key strengths is its ability to remain close to customers throughout the country. **A network of regional sales representatives** provides commercial and technical coverage across Poland, while a **nationwide network of more than 50 authorised service centres** supports customers with maintenance, diagnostics and after-sales assistance.

**Wiesław Szoplik, CEO of HEWEA**, commented: "Jekko represents a natural extension of our lifting equipment offering. Its compact and technologically advanced machines respond perfectly to the growing demand for versatile lifting solutions in Poland. We are looking forward to combining Jekko technology with HEWEA's sales and service network."

**Alberto Franceschini, Sales Director at Jekko**, added: "HEWEA has the technical expertise, market knowledge and nationwide organisation we were looking for. Their long experience in the lifting sector makes them an ideal partner to support Jekko customers and further develop our presence in Poland."

## A wide product offer

HEWEA will represent the complete Jekko range, including SPX mini cranes, JF articulated crawler cranes, MPK minipickers, TRX truck-mounted minicranes and JCX telescopic crawler cranes, providing Polish customers with solutions covering a wide variety of lifting requirements.

With the partnership taking effect on November 1<sup>st</sup>, 2026, Jekko and HEWEA will work together to further develop the brand's presence in Poland, bringing Jekko's lifting solutions closer to customers through a well-established local organisation and an extensive technical support network.
